++ Valid for broadcast between 0600 and 1800

Headline:
Rather cold and cloudy with occasional rain. Brighter evening.

Today:
Much of the day will be cloudy with some outbreaks of rain, some of which could be quite heavy. A moderate to fresh northeasterly breeze, and on the cold side. Drier weather should arrive later with some sunshine by evening. Maximum temperature 7 deg C (45 deg F).

Tonight:
A dry evening with sunny then clear spells. Turning cloudier overnight with some showers returning from the north, falling as snow on the hills. Patchy frost. Minimum temperature 1 deg C (34 deg F).

Wednesday:
A bright day with sunny intervals and a scattering of showers, these falling as snow on the hills, and perhaps to slightly lower levels overnight. Maximum temperature 9 deg C (48 deg F).

Outlook for Thursday to Saturday:
Bright but rather cold and showery conditions over the next few days, with snow on hills, though with mostly light winds feeling pleasant in the sunshine. Overnight frosts.
